

Reference letter: Elie Rastegar

September 15, 2015

It is with great pleasure that I write this reference letter concerning Elie Rastegar. She has been an employee for CPE les P'tits Profs for nine years, and continued to be a great asset to our CPE throughout all the years. As Pedagogical consultant of the CPE, Elie has always demonstrated to be one of our highest quality early childhood educator. Her creativity, her dedication, and passion for working with young children were always admired. Elie has worked with all age groups from 3 months up until 5 years. With the five year olds she successfully delivered a French immersion program. Her commitment to the field of early childhood was always expressed through her involvement with many professional development opportunities that were offered.

Elie always conducted herself in a professional manner and maintained positive relationships with all parents. We received numerous positive feedbacks from all her parents each year. Her focus in the classroom was always to meet the children's needs and to provide them with ample opportunities to grow in a loving safe environment. Her support and guidance clearly proves that she values, respects and accepts all the children.

Elie always fulfilled all her work responsibilities above and beyond. Her strong work values make her an effective and an influential team member. She is an exceptional teacher, coworker, and employee.

The staff, parents and children were very saddened to say our good-byes to Elie. She will always be missed and never forgotten. We wish her the best in all her future endeavors, and we are surely confident that she will touch many more hearts!!

Sincerely,

Vikki Nudo
